was made president. Dr. Wiley was not present at the conference, but he sent a telegram approving the movement. The purpose in establishing the bureau is in keeping with Gov. Wilson's views on the health problem among laboring men and his efforts in the pure food work.

#### WILSON ON PRICE OF MEAT. Opens Tariff Exhibit and Makes Two

Union Square Speeches.

Gov. Wilson touched up the enthusiasm Wilson spoke before the New York of two large audiences in Union Square Press Club last night on the fitness of the yesterday afternoon when he denounced regular Republican party, the national the condition that has made possible the for the Governor's remarks because his The Governor had given out in advance first address was at the opening of the speech to which he expected to adhere "tariff chamber of horrors exhibit" at the most part, but he departed from 29 Union Square West. The spirit of it to mention Col. Roosevelt by name and the exhibit is expressed in one of the n incident in the career of the placards which decorate the wails and sive party's candidate which the which reads: "You Can't Even Be Handed speaker characterized as illustrative of a Lemon by the Protectionists Without

torm and programme without making it When the Governor finished his adoo clear that he is making such a dis- dress and got into Sixteenth street by an improvised window exit he found Goy, Wilson said that while the consti- a crowd there and he shook hands until

Scribed to a very radical programme. In both these speeches the Governor reiterated his contention that the tariff not only makes higher the cost of living here but throttles the tendency of American industry to extend itself to the markets of the world. He argues that the American manufacturer by having to pay higher prices for his materials because of the speech. The sentiment of the speech, the sympathy of the speech on the fourth page. The sentiment of the freeign field at a disadvantage and the programme of the speech on the first part was with the radical deas, and the programme of the speech. in these foreign markets is sufficient proof that if the disadvantage were re-moved he could multiply his industries. give employment to more men and still

In the opinion of the Governor the epublican party is not the one to lead the people because it is responsible for the very difficulties out of which the country is now trying to get. The Progressive party is not the one either, he said, because while it subscribes in it also because while it subscribes in it country that any least out about everything that any least out about everything that any least out about everything that any least out any least out about everything that any least out about everything that any least out any least out the for her people to produce enough cattle for her people to

Practically all the cattle that supplies and he remarked that he thought he could say without being too personal that the Democratic party has a candidate who is not attached by any circumstances to any interest" except that of serving the people. His position with respect to its own party was, he said, that it had or sixten years been fighting for the Practically all the cattle that supplies meat has not risen a quarter of a cent in London in ten years, and it has risen here

Are we going to keep on fooling ourselves forever? Don't you know that there don't have to adjust the prices of the United States to the prices of the world? What I n opening that it was the first time his am fighting for therefore, in this as in kid brother" hadn't given him away. He everything else is liberty. I want these aid in part: men to take their grip off of American My feeling about my own candidacy for industry. I want to have it set free. I want he Presidency is that if I cannot be the to have it set free to master the markets

samaged by too great a change in that senatorial contests in the New Jersey private in the New J hence and if I desert them I change the hole character of the Government. The sgular Republican leaders have got us ato the very thing that we must get out of i we would set our Government free, and hey themselves cannot get out of it without oversing the whole character of their diministration.

There is a large of the six of the regular Republicans then whom the state convention.

There is a large of the six of the six of the six of the progressive permetals, although the state convention.

Nor is it strange, after the bitter conhighly likely to turn out to be a record crop, ranging between 725,000,000 and 750,000,000 bushels.

# **BEATING BUGS RAYMOND**

CHICAGO, Sept. 9.-Fred Zigranz, 4303 North Forty-fourth avenue, was arrested estimated. The increase has been 3.4 at his home late this afternoon in connection with the beating to death of Arthur, better known as Bugs Raymond, the former Giant baseball pitcher. Raymond was found dead in the Hotel Velev on Saturday night.

> crime. Later while being taken to Central Station by detectives the party passed the funeral cortège of the former b player on its way to the cemetery.
> Then, say the detectives, Zigranz broke and admitted that he best and kicked Raymond into insensibility several days ago at a ball field at Liston and Law-rence avenues.

was watching a game," the man is after him.

kicked him. I didn't hurt him bad enough to kill him.

The arrested man declares he is a friend of the dead ball player. It was thought the long spell of hot weather had caused Raymond's death. Frank Raymond, a brother, living in

Winnetka, recalled to-night the story of an assault that Arthur Raymond had told him after a baseball game. "Arthur told me." said Frank Raymond. that he became involved in an argument with a man. There were words and finally

in the language of Arthur, 'the fellow picked up a bat and hit me an awful wallop on the head.' When these facts were made known at inquest to-day it was continued until ursday.

Thursday.

Mrs. Raymond, widow of the ball player. testified before the inquest was continued, giving her husband's family history.

Mrs. Raymond said she and her husband had been estranged for some time.

She has been living at 4223 Bernard street.

men to take their grip off of American industry. I want to have it set free. I want to have it set free to master the markets of the world, as it will.

GOV. WILSON'S HUMAN NATURE.

Ex-Senator Smith Thinks Opposition to Him Is Not Strange.

The Newark Star, which carries at the head of its editorial column the name of James Smith, Jr., its owner, said yesterday:

The cotton ginning report was another cause for much optimism as to prosperity, for it showed 729,926 bales ginned up to September 1. This is less than the record of last year, when 771,297 bales were ginned, but is much greater than the 388,242 bales ginned in 1910.

The spring wheat crop increased not less than 10,000,000 bushels in August, the equivalent of 3.4 per cent. The 300,000 bushels arrivals at the Hotel Elton: 000,000 bushels estimated on August 1, 271,000,000 bushels on ideal tour, John M. Shaw, Guy R. ## ROOSEVELT ADDRESSES 5,000 WOMEN VOTERS

Zigranz at first denied any part in the Two Spokane Theatres Crowded With Suffragettes to Hear Colonel.

velt addressed in Spokane this afternoon two mass meetings composed exclusively of women enjoying the right of suffrage said to have declared, "when some one threw a piece of brick at Raymond. It hit him. He picked it up and hurled it at me. I got mad and went out on the field support him, and it was with a feeling of I struck him, knocked him down and intense interest that the Colonel addressed

> crowd was so great that the committee nastily announced he would speak to an overflow meeting at the American Theatre Five thousand women packed these two theatres and hundreds upon hundreds were turned away. There were young women, middle aged women and old women, fat women and thin women, pretty and ugiy ones, there were women in the latest Parisian modes and women

> and sweethearts. A few brought their babies and endeavored to keep them quiet. They were not always successful and frequently above Col. Roosevelt's voice rose the cry of wailing children.

The politicians stood on the curbstone and watched the women as they entered and left the theatres.

The new voters manifested the deepest interest in Mr. Roosevelt. They followed his remarks attentively and frequently expressed their approval. The Colonel himself plainly was "fussed," as one woman suggested, when Mrs. Miles Poindexter, wife of the Progressive Senator from Washington, introduced him in a few simple words to the audience who were watching him that he had a slight attack of "stage fright" and the Colonel admits he was a "little concerned." He put his right hand in his pocket as he commenced to speak, but, getting into
